INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, a very naughty reader named Bill from Pennsylvania was inspired by the dirty questions I answered in the July issue—so he's come up with a couple of his own!

"Have you ever French-kissed anyone after sucking their dick or tongue-fucking their pussy or ass?"

Not everybody *wants* me to kiss them after I've licked their parts, so then of course I don't do it, but if they're into it—YES! I think it's the most intimate thing two or three people can do. Also, you didn't ask, but I love to taste my own coochie and b-hole on other people's tongues.

"Have you ever had a guy jack off all over your feet and then had him lick up all his sperm?"

The answer is—NO! Because / want to lick up all the sperm. LOL!

Bill, your questions totally produced a "tingling sensation" in my pussy. Now I want more, more, more! Ask me anything, my lovely, pervy guys. ♥

JUNE 2023 PANTY CONTEST WINNER!

Thank you to everyone who entered. Congratulations, Austin!

Dear BARELY LEGAL,

I like Reyna. I am a big fan. She did a good job in the magazine. I am proud of this girl.

I plan on framing her underwear on my wall so I can look at it all the time.

Austin Atnip
Idaho

Dear Editor,

I am a podophile. No, I ain't attracted to kids. That's a pedophile. One little vowel makes all the difference. A BIG difference! But quite confusing in that the Greek prefix *ped-* means "foot," as in *pedicure* or *pedestrian*. And then the second meaning is relating to children, as in *pediatrician*. The third meaning is relating to soil, and the fourth is relating to flatulence, as *pedo* in Spanish means "fart." So why *pod-*?

Well, as if *ped-* wasn't enough, they threw in another prefix from Greek that also means "foot," and today we have other "foot" *pod-* words such as *podiatrist*, *podium*, and *tripod*. Even a simple, common appreciation of the female foot is fraught with misunderstanding. I write this missive for the satisfaction that you may feel by reading it without a shred of expectation that it will be published.

So, after nearly a quarter of a century of subscribing, enjoying, and collecting your publication, I am finally writing my first letter to you. I was thrilled that you dedicated an entire page to Tiana Blow's luscious feet in your June 2023 issue. Do I suspect a rethink at the top editorially? Well, she made a good decision to please a surprisingly large segment of the population who yearned for such an obvious vacuum to be filled. And I used "she" because, of the eight executives listed on your masthead, six are women.

The cover celebrating 22 years of your magazine (Anniversary 2015), featuring lovely Jenna Sativa's feet, is my favorite cover in my 25 years of readership. She herself was 22 years old at the time, which means you and she turn 30 in the forthcoming Anniversary issue this year. It's unfortunate

that your niche, though profitable, is not mainstream enough to celebrate publicly on television like every other (you fill in the blank) that has some type of award and throws a bash for itself. Well, let me be the first to congratulate you and your staff on a job well done for 30 years.

I remember you did almost go mainstream a while back. In 2004, a successful Alexander Payne film called *Sideways* had the main character, played by Paul Giamatti, walk into a liquor store because his amorous attempts have failed, and he grabs BARELY LEGAL off the rack. I was shocked! Was my little secret out? You mean everyone knows about BL? Well, here it is 20 years later, and hypocrisy still prevails. Yes, time does fly, and I bet Jenna Sativa is eternally grateful to you folks for capturing her beauty forever, and may look back at her photographs with pride as she enjoys her sunset years someday. You guys have found what Ponce de Léon was looking for: eternal youth.

Maybe this letter will be my claim to fame. Forty years ago, I had a couple of my letters printed in *Time* magazine. My only claim to fame no one knows about, not even my wife. Perhaps this letter will inspire you to have a new section in the magazine at the end, right before previews of next month's issue. What should we call it? *FF*, maybe—not for fortissimo, although appropriate for aficionados like me, but for *Final Footnote*, a sort of monthly beauty contest where the competitors are the young ladies that are featured in that month's issue. You surprise us at the end with a full-page picture of

DEAR BARELY LEGAL READERS

Hey, guys! It's me, Lindsey. Our question this month is: **Did you ever get caught having sex at your high school? Can't wait to hear from you!**

the winner's feet. The reader has gone through the entire magazine knowing about *FF*, and he picks who he thinks should win. Oh, to be an assistant-assistant editor in your business and get to put in my two cents!

For the record, you missed another opportunity for a foot photo in the same June issue: cover model Reyna! But, once per issue from now on would be most welcome. Beautiful feet are rare. Audrey Hepburn had horrible feet due to serious study of ballet in her prepubescent years, while journalist Megyn Kelly gets 11 out of 10 for hers. But try to spread the wealth. I'd hate to pick between Reyna and Tiana.

Finally, I also appreciate receiving the June issue in June! Most other periodicals are sending out their back-to-school covers now! What's the rush? You guys got it all covered every which way. Kudos! Keep up the good—no, superlative—work. To wit, no guys in your issues. No coupling. Just beautiful representations of God's creation, our humanity. Remember the giants of their time who finally could diverge from religious themes and naturally drifted to the human form. One could learn their preference and appreciate the culture of the time from Rubens or Ingres, who considered a *zaftig* female the epitome of pulchritude. Overweight women were members of the upper class who could afford to eat. Common folk were malnourished.

C.L.
Indiana

C.L., not only was your letter super fun and informative, but it gave me an excuse to stroll down memory lane looking for the cutest feet I could find. And here they are! Thank you!

—Lindsey

ANEVE

body art

Hi, guys! Abby the intern here. The last time model and artist Aneve was here (April 2023), I asked if she would come back and see me, and she did. Dreams do come true!

Aneve, one of the many, many things I adore about you is your hair. It's not like anyone else's!

I'll probably be changing it soon. Maybe I'll cut it all off. Add some glasses for a Velma vibe. Or dye it pink!

That would be supercute! I love that you're always changing your look.

Our bodies are art. I am so grateful to express my creativity through modeling.

What do you do when you're not modeling or creating art?

Revel in the sweetness of doing nothing.

I can't believe you ever do *nothing*. I bet you're already working on another project.

Well...I'm thinking of posting recipe videos on my socials. What do you think?

I would watch! And I don't even like to cook. What's the most interesting shoot you've done recently?

I posed naked with sushi covering my delicate parts. **Omigod, I LOVE sushi. Seeing you like that would probably make my head explode.**

Then you'd better stay off of my Instagram!

What is your ultimate goal with your work?

My goal is to really push the boundaries and take everyone on an adventure. Let's do something NEW!! ★

AMAI

hot dog!

Hello, gents! Stacy the intern here. Don't be fooled by high school senior Amal's innocent face—she knows *exactly* how it looks with a hot dog sliding into it.

Hey, Amal! Did you like posing nude for us?
Yes! Posing nude is fun, plus it makes me feel more feminine.

What is your best physical feature?
My long hair.

What are your hobbies?
I love to cook. And eat!

Do you like to get your pussy eaten?
It's okay, but I like giving head better.

Why is that?
It turns me on to see a guy enjoying himself.

Do you spit or swallow?
I'll swallow, but I prefer it on my face. Prevents breakouts!

What's the best way for someone to make you come?
Do me from behind while I play with my clit.

Do you like anal?
Yes, but I don't quite *love* it yet. It still hurts a little.

What is the wildest thing you've ever done?
I gave a guy a BJ while he was driving.

What's your favorite fantasy?
To have sex in public.

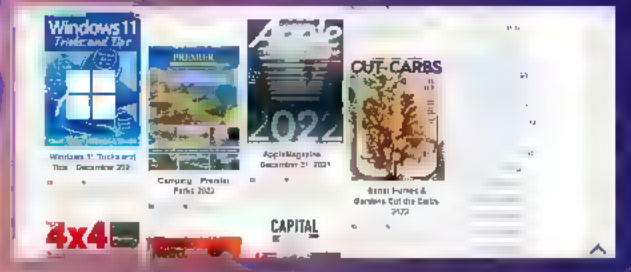

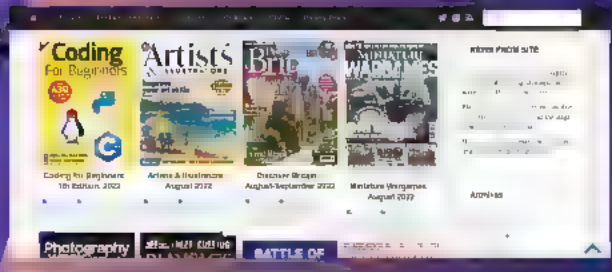

What's the best way for a guy to ask you out?
By just being normal, fun, and not trying too hard.

What about a girl?
She would have to have a...hot dog. Sorry, Stacy!

Sigh! ★

Hey, it's Abby the intern. You guys, I can't believe I get to interview Jill Cassidy. She's porn royalty!

Your majesty! I'm not worthy! Kneel before your queen! LOL! I would totally get on my knees for you. So, what have you been up to lately?

**I had my first orgy. :)
Nice! Is that the wildest thing you've ever done?**

Pretty wild. I also did a girl/girl/girl recently, and there was a LOT of ass-eating. It was hot.

I'd like to ask a few non-sexy questions, if that's okay. Do you have any pets?

I have a pup named Gigi. She's one year old.

**What's your favorite food?
I like to try all different types—especially spicy.**

**What's your least favorite?
Ketchup!**

Speaking of gooey stuff oozing out of a long, tubelike object: Do you swallow?

LOL! Yes, I do.

**What turns you on the most?
Passion and chemistry.**

**What turns you off?
Going away on a long trip and forgetting to pack my Hitachi. :(**

How would you describe your ideal guy?

He's funny and kind.

**With a big dick?
That doesn't matter at all.**

**What's your favorite fantasy?
I wish it was always warm so I could dress slutty all year round.**

We all wish that, too! Before we go, do you have a message for our readers?

THREE CHEERS FOR FAYE REAGAN!

Hey, guys! It's Stacy the intern. I don't know what I did right, but every time we feature a legendary BARELY LEGAL video superstar, Lindsey assigns the interview to me. Here I am with—my heart is pounding right now!—the absolutely, positively cutest porn girl ever: FAYE REAGAN.

Faye, are you trying to kill me with cuteness? A cheerleader outfit?

It's just a little innocent cosplay. :)

You're kind of famous for your freckles. Do you think they're your best feature?

Mmm...I'm going to say my best feature is my nipples, because they're awe-mazing. LOL! I stole that word from a fan.

I love it. So, do you remember shooting your very first scene?

I do. It was a boy/boy/girl scene. Which was crazy, because I was still getting adjusted to regular one-on-one sex.

You didn't have a lot of sexual experience before getting into porn?

Hardly any. I lost my virginity at 18 and started shooting scenes a couple of months later. I had given only two blowjobs before porn!

Hello, Mia! What have you been doing since the last time we saw you (August 2022)—besides getting more stunning?

You guys always make me shy! I have been lately doing shoots in different clothes and lingerie and bikinis to post on social media.

In *clothes*? No more naked Mia?

LOL! Oh, yes—I still love to be naked all the time.

How did you get into adult modeling and performing?

It was really always my dream.

What do you do when you're not working?

I love to travel, take selfies, and go to the gym. I love to take good care of my body.

We love that you do! What is your favorite sexual activity?

If you can tell, I love blowjob, anal, vaginal, dildo, and clit stimulation.

The last time you were here, we unofficially crowned you the Queen of Anal. Have you had any challengers to the throne?

I don't think so. But I don't need a title. I just do what I love. I love extreme and passion.

What are your plans for the future?

My plan always is to travel across the world! ★

MARCH
BARELY LEGAL
CLASSIC
1999

PHOTOGRAPHY BY GIANNI DI PALMA

I can't believe how sore my pussy is today," confesses Barbie, who was previously seen in the Anniversary 1998 issue of BARELY LEGAL. In her prior spread, Barbie bragged of doing her first three-boy gangbang.

Today, Barbie takes bragging rights to a new claim.

"I screwed a professional porno guy last night. He banged me silly with his humongous, 13-inch chub.

"I don't know what makes me so hot for giant cock. Every time I'm around a huge, bulging crotch, I go nuts. You can hear me squish when I walk, but I never had the nerve to go all the way until last night.

"I met Mr. X at a party on the Strip. We danced all night, then he offered me a ride home.

"I got off on kissing him at a traffic light. I dug letting people in the other cars watch me bury my tongue in his mouth. His hands squeezed my titties through my top. Two dudes honked and gave us a thumbs up.

"When the light turned green, Mr. X floored it all the way to his condo out in the Valley. I was on my knees and sucking the moment we got through the door. I choked when he got fully hard. He sunk it all the way into my pussy. I thought my vag was going to burst. He stretched me to new limits.

"He pumped me full of ball snot. I jumped from the bed. Jism bubbled from my nookie. I leaned over and waved my heinie in his sweaty, exhausted face. 'That was fun!' I told him. 'Do me again, pretty please!'

" 'Shit, you young girls are horny,' he laughed, yanking my hair and shoving my smile against his snakey hunk of meat.

" 'Of course I'm horny,' I told him. 'Don't you know all young girls secretly dream of giant cock?' "★
